Fees & Charges for Special Services

The special services listed below are provided upon request, provided personnel, vehicles and equipment can be made available to do so.

Special services include all services performed by FHG which are not covered by existing contracts.

FHG's liability is restricted to that which is legally prescribed, whereby liability for negligence, including gross negligence, is excluded; where the customer is a private person, liability for simple negligence is excluded. The company indemnifies FHG from all damage claims made by third parties against FHG.

The provisions of the Airport Usage Regulations for Hamburg Airport also apply.

The place of fulfilment is Hamburg Airport. The

competent jurisdiction is Hamburg.

Where no unit of sale is listed, the minimum chargeable time shall be 20 minutes. Incomplete units shall be charged in full.

Charges for special services are subject to value added tax at the applicable rate.

An hourly ground rent ("Hangar Charge") is to be paid to the Airport for the storage of aircraft in hangars at the Airport. The amount of the ground rent (Hangar Charge) is calculated according to:

- the approved maximum take-off mass,
- the duration of hangaring,
- the hangar and
- the season.

The rent (Hangar Charge) for hourly hangaring of aircraft, regardless of rental category, is for

	April to September		October to March
